

The Brandon Heath Air1 Big Give contest was amazing! We expected about 800 guests, but there were over 1,700 who came out that night! The concert raised an incredible \$9,346 to benefit the work of Step By Step ministries. WOW! How great is our God!

Many thanks are due Brandon Heath for sharing his talents and enormous heart with us. Before the show he personally met and encouraged a few of our young moms. He seemed to really grasp the heart of what Step By Step is about and expressed huge compassion for the plights of these young single moms.

We are overwhelmed by the encouragement and amazing hearts of support we received from Brandon, Air1, and all the representatives of Quest Community Church.

Special thanks are also due:

Jennifer Lambert and Air1 Christian Radio

Tara Stepp and Provident Music Group

Katie Docherty and all the incredible hosts at Quest Community Church

Jeff James of Icthus

Christy Hiler, Board President of Step By Step

Tom Cody for his PR support

One resounding message we heard from people that night was that they believe in the mission of Step By Step, and that they need one in their own community. We have heard this so many times over the years, and expansion beyond Fayette County is our vision. Please pray for the Board of Step By Step as we prepare for this endeavor.

Most of all, God bless you. Thank you for your support of this ministry.
